Name a dog kennel Room

The Dog Kennel Rooms at Animal House Adoption Center await your name!

Your Name Here

Your sponsorship will be recognized at the first stop at Metro Animal Services. Animal House conducts approximately 3,000 adoptions per year, and this does not include the number of people who search for their future family companion. This is a great way to remember and honor a beloved pet or family member, or advertise your business. When you sponsor a dog kennel room, you're helping support the financial needs to care for that dog.
